Twickingham Heights

Walk into your new home and feel safe, secure and stately! This all brick 2200 sq. ft. home has been updated and meticulously maintained. The new kitchen is white with a pale gray back splash and solid surface counters, sure to please every style. The appliances are Bosch and Electrolux. Two large living spaces on the main floor will give everyone choices. Choose to enjoy the fireplace and a little bit of coziness or a much larger room with places for many people or activities. The lower level also has a huge space to entertain, workout or update and make your own. The master bedroom has 2 walk-in closets and plenty of room for a king-sized bed and more. Laundry on the main floor, a sprinkler system and gutters buried underground also makes your life easier. Step outside, take your coffee and book, and enjoy the porch. The garage is an oversized 2.5 car and the drive will hold 3 cars across for all your guests.
